Safety

Dear visitors!

To ensure a safe and pleasant visit to the SIA «Troja» production plant please carefully read and observe the safety rules while in the company territory.

- ! While in the SIA «Troja» territory a reflective vest and hearing protection aids must be used!
- ! It is permitted to move around the production premises, only if accompanied by SIA «Troja» personnel, it is prohibited to approach or touch devices and working equipment, climb over or sneak through devices and their barriers
- ! Pay attention to the horn signals of car loaders; do not stand behind them and always give way to transportation vehicles.
- ! It is strictly prohibited to use devices with open flames.
- ! It is permitted to take photos and videos in the company territory only upon coordinated permission of the excursion guide.
- ! Pay attention to, and take into consideration, the safety signs and signals and observe them!
